Automobili Lamborghini launches official certified pre-owned program: "Selezione Lamborghini Certified Pre-Owned"

Sant'Agata Bolognese, 27 February 2018 – Automobili Lamborghini launches Selezione Lamborghini Certified Pre-Owned, a new, comprehensive certification program for pre-owned cars sold through the authorized Lamborghini dealer and service center network worldwide.

Selezione Lamborghini provides the new owner of a pre-owned Lamborghini with the assurance that the car has passed a rigid process, with checks and any work carried out by trained Lamborghini technicians, using genuine Lamborghini parts.

"This is an important new program to support the growing volume of pre-owned Lamborghini cars sold through the authorized dealer network," said Automobili Lamborghini Chief Commercial Officer, Federico Foschini. "In line with our growing production volumes, an increasing number of clients are deciding to buy into the Lamborghini marque, both new and pre-owned models. Today Lamborghini is recognized as a benchmark in the segment in terms of quality and exclusivity. The purpose of Selezione Lamborghini is to now make these standards also available for those who want to take the first significant step into the Lamborghini world with the purchase of a pre-owned Lamborghini."

Lamborghini cars offered for sale under the Selezione program must meet certain rigid criteria, including no more than 70,000 km/43,500 miles for the super sports cars and 100,000 km/62,000 miles for Urus, over no more than 84 months of use and 120 months for Urus. The car must have undergone regular scheduled maintenance as directed by Lamborghini's service schedules as well as passing a comprehensive list of 150 checks covering both exterior and interior features of the car, mechanics, electronics, tires, rims and brakes. Full diagnostic and road tests are also carried out on the pre-owned car before it is sold.

Every Pre-owned Selezione Lamborghini certified car is sold with a minimum 12-month warranty, extendable up to 24 months, which covers both parts and labor using qualified technicians and genuine Lamborghini parts. The warranty provided can be transferred free of charge to another owner should a Selezione Lamborghini be sold on. Roadside assistance is also provided for the duration of the warranty at the same level accompanying a new Lamborghini. A complimentary, subsequent six-month check is offered to all buyers of a Lamborghini Selezione.

All Lamborghini cars are sold from new with a three-year warranty that can be extended up to five years by the customer at the moment of purchase. Further warranty extension and maintenance option will also be offered as part of the Selezione Lamborghini program.

Selezione Lamborghini has been launched in February 2019, with roll-out across the world during 2019 according to country specifics.
